DCC Distance Credential Counselor Hybrid Training

This training helps mental health professionals learn the ethical utilization of technology in counseling. It is a 23 clock hour training that is approved for NBCC continuing education. This training, when completed, will lead the participants to earning the Technology Assisted Counseling specialization and optionally the Distance Credentialed Counselor National Certification for Distance Counseling. This training is open to anyone with a Masters degree or above in a Mental Health Related Field.

The hybrid version of the training is **six hours** of live training. The remaining hours of the training will be completed online at your own pace. Once you complete the online portion of the training you will receive your Certificate of Completion.

Renewed Vision Counseling Services is an NBCC-Approved Continuing Education Provider (ACEP) and may offer NBCC-approved clock hours for events that meet NBCC requirements. The ACEP solely is responsible for all aspects of the program.

We have only 12 seats for this event. Make sure to reserve your seat today. We will need a minimum of ten people to register in order to offer this training.
